Queen Laurel Winchester

Ladies of the Household,

Welcome to a new and fun filled year.

I would like to thank all the members for a wonderful installation; it was beautiful, with special memories that will last a life time.

We started off this year with a great session on April fools day which was fun with the officers wearing large sun-glasses when I entered the room.

I would like to invite the members to sessions and to come along with me to our Official Visits. Their are 20 clubs throughout the state that we will be visiting. It is a fun time, with great food and friendship.

This year at each session we will be collecting items for Shriners Hospital. At our 1st session we brought spools of thread for the sewing committee. We ended up with 2 bags. Thank you to all who brought them; they will be put to good use. Next month Nite Lites Nile Club is sponsoring a toy drive for the Birthday Party. If you would like to help them, please bring one to session or contact any officer, and we would be happy to pick them up.

Supreme Session this year is fast approaching: from June 10 - 14 in Albuquerque, New Mexico. I'm very pleased this year that the PATROL will be going with me and performing. I have seen their new uniforms and routine which is fun and exciting. I know they will be a hit.

Don't forget to LIVE, LOVE, and LAUGH

Ruminations From Princess Royal

Ladies of the Household,

I greet you as your new Princess Royal. It was wonderful to see so many of you at Queen Laurie's installation, and the turnout for her first (and mine!) Session was great. I missed saying the Tirzah closing speech, but it is now Princess Jennifer's favorite. Although my closing thoughts are short, I think the sentiments expressed are very important to all Daughters of the Nile.

As a voting delegate from Nydia Temple, I am looking forward to June in Albuquerque for Supreme Session, meeting with my 'sister-Princess' Royals to hear what our Supreme has planned for us and for Supreme temple. For the first Supreme Session, we have five Lady of the Household delegates as well as line officers and any Past Queens attending, so we should have a really good representation from Nydia Temple.

It falls to Princess Royal to be chairman of the Ways and Means Committee. So, we have two projects and one appeal for this year, leaving most sessions for the Units to earn money for their triennial travels and Clubs to request space for any fundraising projects they may have. The APPEAL you saw when Princess Recorder, PQ Beverly, sent your dues notice; and MANY thanks to those of you who are able and willing to include a little extra—we collected over \$2500 this year. Project ONE is the Nydia's Cookbook, managed by Princess Tirzah, Jennifer, which will net us over \$3000 when all are sold, and many of us are carrying a few copies with us if you haven't bought yours yet. PROJECT TWO is going to be our annual Holiday Silent Auction at the December Session.—We hope you are planning to attend to see what is presented by Clubs, Units, and Members. (See companion article elsewhere in the Nydian.)

From Princess Tirzah

Dear Ladies of the Household,

Here we are enjoying Spring and the world renewing itself. Nydia Temple is also beginning a new term of adventures and excitement. I'm thrilled to be going along on this "mystical" journey with Queen Laurie and my counterparts, "Karen's Mystical Pixies." We are all looking forward to attending Supreme Session in Albuquerque this June and representing the Ladies of Nydia Temple.

I would be remiss if I didn't mention the Nydia Patrol Unit. They have worked so hard to reinvent themselves and become a fresh new performing group for Nydia Temple. I am so proud of all of them and the work that they have done. Patrol will represent Nydia very well at Supreme. And, don't you just love the sparkles?!

All of the line officers are looking forward to visiting the Clubs and Units this term. We will be seeing you at OV's, picnics, and fundraising functions over the next months. This promises to be a fun-filled, active term.

Just remember, "All you need is Faith, Trust and a little Pixie Dust!"

Jennifer Moyer, Princess Tirzah

From Princess Badoura

Ladies of the Household,

It is with honor that I welcome the opportunity to serve as your Princess Badoura. I would like to take this time to let you get to know me better.

I was brought in to Daughters of the Nile on my birthday during Queen Suzy Davis' reign. I was impressed with the ritual and have wanted to share in it ever since. I am a member of the Chorus and enjoy entertaining the Queen and the ladies at sessions.

After Supreme this summer, I will share more of my plans. Until then I remain your servant and friend...

E'Laine Armstrong, Princess Badoura

From the Desk of Pr. Recorder:

Hello PQ's and Princesses, and welcome to Spring 2015! I would like to congratulate Queen Laurie Winchester and her new slate of Officers for this term. We know they will have a fantastic year and want to wish them the best. To our JPQ Judy, thank you for an amazing year! What a pleasure it was for me serving with you as your Pr. Recorder.

Proposals are needed to help keep our membership growing ladies! I am looking forward to sending out many invitations to the ladies you proposed to join our wonderful Order and our philanthropy of helping Shriners help children to be all that they can be.

I sincerely want to thank the membership for your confidence in me! This is the 7th year that you have elected and entrusted me to serve in this rewarding position as your Pr. Recorder. *However, have you ever thought about serving as a Pr. Recorder?* Yes, it does take quite a bit of time and commitment but the pleasure of being in close contact with all of our 'Ladies of the Household' is very heartwarming. If you are interested in experiencing the details of this office, you are more than welcome to come to my home or sit with me during a Stated Session, to observe. Please call me and I would be happy to answer any questions or share details regarding the position...

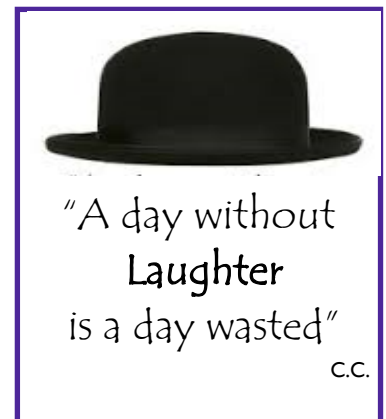

Another important item that needs to be addressed; March 31st has now passed and our 2015 Dues are overdue for some of you.

We sadly had to drop 17 of our valuable ladies of the household for not being current with their dues. Please make your 2015 dues a priority ladies; remember the current membership card color is gold. A current dues card is required to attend all Stated Sessions and Nile Club meetings; it also helps to support us in helping our children in the Shriners Hospitals for Children...

We hope to see all of you soon and as often as your time will permit.

With Nile Love and Friendship your Pr. Recorder,

PQ Beverly

Princess Banker's Report

Working Together for the Children -- Congratulations go to the ladies of Nydia Temple! This last year (April 1, 2014-March 31, 2015) cash donations to the Daughters of the Nile Foundation totaled \$11,688.45. This was given to the Convalescent Endowment Fund, the Convalescent Relief Account, and Memory Book, and for Acknowledgement Cards, and Stepping Stones.

To the hard working members of the clubs – thank you very much. In addition, ladies gave generously to the general fund, the hospital birthday parties, sewing committees, school room, and snack carts in the clinics of the Portland Hospital, and gift cards and a few sewing items to the Honolulu hospital. All of this is in addition to the incredible amount of volunteer hours given by our members.

Nydia Temple visits the Honolulu Hospital and Egyptian Temple No. 33

February 20th, then Queen, Judy C Smith, Princess Julie Birmingham, and Noble John P Smith visited the Honolulu Shriner's Hospital for Children. Before the tour of the hospital, Queen Judy was able to present to the

chairman of the board of Governors and the Hospital Administrator a gift of \$445 in gift cards and two dozen pillowcases.

On the 22nd, Queen Judy and Pr. Julie attended the Official Visit of Supreme Queen Marsha D Sowers to Egyptian Temple No 33. We were all overwhelmed with the love and warm hospitality we received at both events.

JPQ Judy C Smith

JPQ Judy and Nydia Temple Honored

The Portland Shriners Hospital Board of Governors has recognized the efforts of Nydia Temple this last year in supporting the hospital. JPQ Judy was invited to their meeting on March 23rd and presented with a beautiful framed certificate acknowledging the temple's activities to promote our Hospital. She was also thanked for embroidering the Shrine Hospital Logo on the Doctor's Lab Coats. Along with the certificate was a framed Stepping Stone to Happiness which represents a donation to the Daughters of the Nile Foundation.

If you have ever wondered if the Hospital Administration is aware of all that Nydia Temple does for the Portland Shrine Hospital, JPQ Judy can tell you that they are aware and very appreciative.

Session Notes

The April Session was several things. It was Nydia Temple's birthday. During the luncheon PQ Paulette told a short history of Nydia Temple and there was birthday cake for dessert.

It was April Fools Day. JPQ Judy, Pr. Recorder PQ Beverly, and Pr. Banker Kathy wore big funny sunglasses when our new Queen Laurie was escorted in. They looked like kids instead of themselves standing up there in the front of the room.

It was also Queen Laurie and her officer's first session. She is asking the Ladies of the Household to bring items to each session of her year in support of the hospital. At this session she had asked each lady to bring a spool of thread for the hospital sewers. There wasn't a count, but there were two sacks of thread. Next session the ladies are requested to bring toys and gifts—especially for older children.

In the correspondence there was the sad news of Columbia County Nile Club's dissolution. They had been a Nile club since 1945. There was also a notice that there are two vacancies for directors in the DON foundation.

There were annual reports given. Pr. Banker reported that we came out \$3600 in the black this year, and that's the second year in a row that we have ended in the black! Pr. Recorder reported on member numbers. We started the year with 559, lost 42, and gained 38 which leaves us with 555 not including dual members. Of the ones we lost 20 had died, but 17 were dropped for non-payment of dues. PQ Ruth spoke about the hospital sewers, and mentioned that Pr. Reva Ortez and Pr. Dana Maness, who had been hospital sewers for over 10 years, had retired from the group.

The Ways & Means report indicated that there were to be two fundraisers for the Temple this year. One is asking for additional donations with dues, and \$2500 had been donated this way. The other fundraiser will be the auction at the December session. (See article pg. 14.)

Pr. Marilyn Marsh was installed as Pr. Zuleika. JPQ Judy told about being honored by the Hospital. (See article pg. 6.) Permission was given by the Temple for Queen Laurie to perform Initiations by Obligation this year as appropriate.

All in all it was a pretty good first session. Everyone seemed to know their part and things went smoothly. Hope to see you all at the next session in May!

Hospital Highlights

Being a Shriner's Kid

By Pr. Dorothy Reilly

First, let me explain a little bit about how I became a patient. I was born on June 25, 1936. My parents, Doris and Edwin McElroy, were expecting a single child. When it came time for delivery, there were twins. My brother, Donald e. McElroy, was 7 lbs. and I weighed less than 4 lbs. My mother told me that I was pushed up against him and did not get much nutrition.

My right side was affected and was thought to be pediatric paralysis. They later called it a spastic condition. My development was slowed, and I didn't learn to walk until after I was a year old. I could not walk on the heel of my right foot or straighter my right arm.

At that point in time, children of Shriners were not allowed to be patients. So, my father had to get permission for me to be treated.

They waited until I was nine years old; until the doctors decided how to treat my condition. In April 1946, I was admitted to the Shrine Hospital for Crippled Children—Portland Unit located at N.E. 82nd and Sandy Blvd. They performed surgery on my right leg, stretching the cord in the back of my leg so I could walk with my foot flat. They chose not to have surgery on my arm because my mother was afraid it would end up stiff, and I wouldn't be able to bend it.

I was in the hospital from April to June. I got out shortly before my 10th birthday, having spent 65 days as an in-patient. I was very homesick. My parents could come and visit. My sister, Shirley, was 20 so she was allowed in, but my twin brother had to stand outside and wave at me. One time when I was homesick, I dared the nurses to put me in a baby bed and take me out to see the Rose Festival Queen and her court. They did. Sometimes they let me visit the infant patients to take my mind off things. A nine year old doesn't always understand that the doctors and nurses are there to help them. The girls were at one end of the hall and the boys were at the other end. While I was there, I attended school provided by teachers that came and worked with the kids. When I got home, they said I had missed too much school, so I had to take the 4th grade over again. I met a girl there from Prosser, WA. We kept in touch with her for about two years.

New Request by Hospital

The hospital is now able to use the box-top and Campbell's Soup labels for education, and they are requesting that we collect them for them. Other hospitals have been using them, but this is new for the Portland Hospital. These are used for educational equipment.

(While you're collecting labels, don't forget the pop tabs, too!)

On March 14, 2015 the new transport vans for the hospital were delivered. Our own Pr. Kathy Walliker had the honor of being one of the delivery drivers.

The vans were made possible by a bequest from Pr. Margie Thomson. Pr. Kathy works very hard, making many trips transporting children and their families to and from the hospital.

(See more pics after the last page)

From pg. 8—Shriner's Kid

Back in the 1940's, they didn't let you up on your feet very much. I had a cast on and used crutches until it came off. I had everyone autograph it for me. They let me take it home as a souvenir. After the cast came off of my foot, I had to learn to walk again. I had a brace on my leg for almost two years. My mother worked on me with exercises to build strength so I could get the brace removed.

After I joined Daughters of the Nile, my mom and I worked up at the new Shrine Hospital as volunteers. KOIN TV honored us at the hospital as some of their community heroes.

Birthday Parties

We had 12 Birthday Parties in 2014-2015. Usually our Supreme Queen's visit is an extra party, however her visit to the hospital was on our regular birthday party day.

Our committee Party members are Pr. Shirley Stanfill, Pr. Dorothy Lewis, PQ Gerry Brown, Pr. Rosemary Farris, and Pr. Marilyn Marsh. Pr. Lorraine Campbell joined Nile in November and joined the Birthday Party Committee. Prs. Patty Baldwin and Isabelle York have attended a few parties. At our March party Queen Laurie Winchester was in attendance. Pat Grenna was also in attendance at our March party. Our Clowns participated in 11 parties: Klutz PaPa, Bumps, Keyes, Slym, and Stretch.

Donations were received from Union, Eugene, and Beth Eden Nile Clubs.

Individual donations: Barbara Miner, a non-member, made monthly donations. Monthly donations were also received from Pr. Shirley Moore. Prs. Delores Dunn, Kathy Walliker, Shirley Stanfill, and Rosemary Farris also made donations. A new initiate in November, Pr. Lori Snyder donated four \$10.00 McDonalds gift certificates.

I have been purchasing cakes from Albertsons at \$17.99, but changed to Haydens April 7. Same wonderful cake decorator so hopefully the same price.

I used \$200.00 birthday party budgeted funds this year. In early 2000s I only used budged items perhaps three or four times. Donations for 2014-15 were \$1694.48, and from Birthday Marches \$1650.00.

Chorus Notes

Our new officers were installed at our last meeting by our new Queen Laurie. They are Pam Davis, President; Helen Swails VP, Lorraine Campbell Secretary; and GG Gleason Treasurer.

We have some fun songs planned for the coming year and look forward to singing them for you. If you enjoy singing, please come talk to one of us about joining the Chorus.

On June 3 Chorus is putting on the Kick-off to Supreme Luncheon to wish those attending Supreme a “bon voyage”. Please come join us to enjoy a nice lunch and give them a goodsend off. There will also be Origami Owl Jewelry for your pleasure at the luncheon. Tickets are available at Session. There will also be a few available at the door. See any Chorus member for more information.

Nydia Patrol

Introducing the new Patrol...reorganized, invigorated, and excited.

The Patrol performance following installation introduced the new look – and sound – of the Patrol. We were glitzy and marched to Semper Fi. I do believe we had a few surprised members. At the end of the performance, the traditional “zipper” was done but included the members of the Chorus and PADIR, symbolizing the unity with our units.

Our new Patrol officers were installed by Queen Laurel at the Chart House, after we enjoyed a wonderful lunch. We appreciated the “Welcome to Daughters of the Nile” at the top of the luncheon menu. It was a nice tribute.

Patrol has continued to practice for the Supreme performance. We will have six of our members travelling to New Mexico. We look forward to “strutting our stuff” and expect to have a positive response.

Thanks to all of you for your support during our reorganizing phase. We have certainly appreciated all of you and strive to make you proud.

Respectfully,

Holly Austin, President

Nile Clubs

Beaver Nile Club

Beaver Nile Club was happy to be able to put on our annual Mad Hatter's Tea Party in March. We had a great turnout. As usual there was an amazing assortment of hats to be seen and vast amounts of delicious finger foods to be eaten. The tables were beautifully decorated. We got to try out our new sound system, which made it much easier for everyone to hear.

Our new officers were installed during the tea. They are: PQ Donna Claire Blankinship, President; Joan Keister, VP; Pam Davis, Secretary; and Janis Ferlisi, Treasurer.

We meet on the 4th Thursday at the Beaverton Masonic Lodge on Watson St in Beaverton. We welcome visitors and new members at any time.

Bend Nile Club

Here is what the Bend Nile Club has been up to:

We elected new officers for the 2015-16 year. They are Debbie Gallino President, Kay Nelson VP, Rhonda Chesney Secretary, Lynn Johnson Treasurer, and Debbie Gallino Ambassador.

Pr. Kay has been busy this winter making wine-cork bird houses for our club fundraiser this year. They are really cute. We plan to sell them at \$15 a piece. I hope to have pictures to show you soon.

Pr. Lynn and Pr. Kay have been busy making pillow cases for the hospital. Please pray for Pr. Freda Drexelius; her husband has been placed on hospice care. Pr. Annie Collins took a tumble a couple weeks ago and she is a little sore. The rest of us are doing well.

Pr. Debbie Gallino, Ambassador

Woodburn Nile Club

The new officers of Woodburn Nile Club were installed at the March meeting: President Pr. Betty Donnelly, Vice President Pr. Betty Koessel, Secretary Pr. Marie Rothi, and Treasurer Pr. Bunny Stiles. Then, many busy hands from the club prepared and served lunch at the April stated session.

As summer approaches and plans are being made for vacations and lazy days in the nice weather, we're looking forward to putting on another successful garage sale at the home of Pr. Bunny Stiles on – mark your calendar – Saturday, August 22nd. Last year, the members of this club donated \$269.69 worth of snacks and juice for the clinics at the Shriners Hospital, in addition to club donations to CEF and CRA, and to Nydia Temple's general fund.

We have welcomed two new members recently and sadly said goodbye to one who moved to Kentucky. Anyone interested in visiting or joining us, we meet on the first Friday of each month for lunch at Denney's Restaurant in Woodburn.

A Look Back in the History of Nydia Temple

(This is the first article of a look back in history)

The organization "Daughters of the Nile" itself just celebrated their centennial .. 100 years of history. Nydia Temple is getting closer and closer to the time when we will celebrate our beloved temple's 100th Birthday. We hope you enjoy each small glimpse of historical information from days gone by in future Nydian publications.

(Excerpt from the very first minute book)

The actual first gathering to interest a few ladies in organizing a Temple of Daughters of the Nile in Portland, Oregon was April 9, 1919. Mrs. Walter Holman (Mabel) called a few ladies to her home to discuss this organization. The ideas presented were easily accepted and additional information regarding the possibilities was requested from Seattle.

On April 19, 1919 while meeting at the home of Mrs. H.T. Hutchinson (Lillian) the organization foundation was established; they determined the organization would be open to wives, mothers and sisters of Shrine members. Then on April 22, 1919 Mrs. Edith Gattis, Supreme Queen of Supreme Temple of Seattle arrived to give the obligation to 35 princesses; parts of the initiation was read from the ritual with explanations. April 23, 1919 Queen Mabel Holman, Pr. Royal, Pr. Tirzah and Pr. Recorder met in the office of the Hugh J. Boyd Masonic Temple as the Ordinance was given for all Charter members by Supreme Queen Edith Gattis. The meeting was almost a jubilee when Pr. Recorder Adda Cellars reported almost \$500.00 of paid membership money was on hand. The Charter Members decided on the first Wednesday of every month as the regular Session date and after much discussion, chose the name "Nydia" for this new Temple Name. The Supreme Queen was very gratified that she could now report Nydia was ready for a Charter.

LETS HAVE A WONDERFUL, BOUNTIFUL, FUND-RAISING EXPERIENCE IN 2015!

Ladies of the Household, in the past few years Nydia Temple has had a silent auction at our December Session to raise money for our General fund. We have had WONDERFUL WREATHS and BOUNTIFUL BASKETS.

This year plans are to have a WONDERFUL BOUNTIFUL SILENT AUCTION. I hope to need many tables to display your handiwork and collections for bidding on December 2, 2015.

Themed wreaths—not Just Christmas—and baskets (food, spa, cozy evening, etc.) are all welcome. Small or large, elegant or simple, I would like to see a variety. Remember if YOU like it, someone else might, too—sort of like “I bought a present but would like to give it to me!”

So please put your thinking caps on and let your clever fingers go to work. You can create by yourself, or with your best friends, or at your club, or in your unit!
