Queen Reba Hardin

Here it is 2019 and another year is here. Let us all hope and pray for a much better year for all of us. My year as queen is fast winding down, and we are about to embark on a wonderful 100th year for Nydia Temple No. 4 Daughters of the Nile. There are many activities planned for this coming year, however we will all need to pitch in to help in any way we can. Let's all try to help our new Queen, from little to large.

Remember February is our Memorial Service to our Princesses who have gone from us. I would love to have as many of you as can, be there to help honor them.

Nile Hugs,

Queen Reba Hardin

HAPPY NEW YEAR TO ALL.

On December 3rd, 2018 we had our Official Visit. Pr. Royal, Kathy Walliker presided in place of Queen Reba as she could not attend due to her health. We also had Pr. Tirzah Holly Austin and Pr. Badoura Brenda Boitz .

Our lunch, which was enjoyed by a group of 25 members, was prepared by Pr. Teri Rollman, Pr. Ann Austin, and Pr. Jan Fuller-White .

The tables were decorated by Pr. Trudy Biotti and Pr. Jan May. We had red table cloths, greenery, plaid ribbon bows, pine cones, and a little red cardinal.

We spoke about our plans for serving lunch at Nydia Temple's stated session on January 2nd 2019. Pr. Jan Fuller-White suggested New Year's Brunch with a mimosa or sparkling cider. Pr. Nancy Coddington will do the decorations at her house with some help from the members.

We discussed, at our January meeting, our Card Party theme and menu. The Supreme Queen's theme is "Crown Jewels" red, white, and blue.

Pr. Royal Kathy Walliker, on behalf of Queen "Reba, accepted Salem Nile Club's donations to CEF, CRA, General Fund, Sewing Committee, and to the 100th Celebration. Pr.

Kathy also accepted a personal gift for Queen Reba.

Pr. Kathy talked about Supreme Session naming many awards that Nydia received. She also gave us hand-outs from Supreme Session. Pr. Kathy talked about the 100th Birthday; March 17, 2019 Installation; and "Kick off to 100th year April 27, 2019"

Princess Tirzah, Holly Austin told us about her experiences at North/West Daze in Boise, Idaho this year. We will have one this year (2019): Rain Drops and Roses.

We had the visitors and our officers stand for a picture; they all put their right foot out.

Corvallis Nile Club

By Esmeralda Reyes Molina

On November 19th during the annual Queen's visit, Queen Reba Hardin presented our Princess Victoria Eddy Baker with the Daughters of the Nile Legacy Certificate in honor of her late mother Pr. Dorothy Moore Eddy and her membership and contributions to the Daughters of the Nile and the children.

The Corvallis Nile Club is now proud to boast two mother and daughter Legacy Certificate recipients, namely, Pr. Edith Svensen and her daughter and president of our club, Linda Perkins, and now Pr. Victoria Eddy Baker and her late mother Pr. Dorothy Moore Eddy.

Hospital Sewing Committee

By Sherry Hevland

As we turn into the last three months of Queen Reba's year, I'm starting to look back at all the wonderful projects the ladies around the state and in the various sewing groups have contributed to the children at Shriners Hospitals for Children Portland. What a vast array of talent—it is truly amazing. We are going to have a wonderful report for Supreme reflecting all that has been contributed. There are quilts large and small, (some donated by non-members and a gentlemen who quilts), embroidered squares, pillowcases, shorts, wheelchair/welcome bags, special projects. But, wait there's more! Mugs, box tops, aluminum pull tabs, beanie babies, school supplies, birthday party toys, snacks, gift cards, etc. Everyone has an opportunity to contribute in some way. You should all be very proud of Nydia and its giving ladies.

Thanks to all who have helped make Queen Reba's year productive....and we still have a few more months to top off the numbers. I will be happy to answer any questions you may have about any of the items we can use at the hospital.

March 6, 2019 Session is Election of Officers (who will they be?) - please come support your temple with your vote!

Bend Nile Club

From Lynn Johnson

Good Morning Ladies of the Household, and good news from Bend Nile Club. Our coffers have been suffering greatly. One of our members said she knew of a way for us to get a job and earn \$\$\$'s. WOW! Ten of us got together, spent a day stuffing brochures and got a well needed reward. I smiled all the way to the bank!

On that same note, we were also told we might be able to earn more shekels in the future!!

Nile love and hugs for a wonderful New Year to all.

The drawings on these stylish t-shirts, were created by Princess Royal Kathy Walliker's granddaughter. They depict Kathy passing a rose to her granddaughter, and represent passing Nile traditions from one generation down to the next. They come in either black or royal blue and either V-neck or crew Neck.

Where in the World is Nydia?

Hello friends, my name is Nydia and I'm taking an adventure - an adventure I want to share with all of you. Travel along with me, across the globe, stopping at fun and interesting places. I have my passport and you will need one too. Look for clues in each Nydian, and when you guess where in the world I am, get a stamp sticker for your passport. Also, every time you attend a Nydia Temple event, the elected officers have more stickers for your passport. Have fun, keep track of Nydia's world travels, and fill up your book.

To get your stickers or additional passports, or for more information, contact Princess Kathy Walliker, any elected officer of Nydia Temple, or any member of Kathy's Posse, also known as the PADIR Unit. (We'll be glad to mail to you from anywhere around the world 😊)

Where in the World is Nydia? In January, 2019, this is where I am:

Sometimes, I am mixed up between being a city and a country, but technically I'm the capital city of a country of islands. This is a popular cruise ship stop, with many high end resorts on a hilly landscape, but best known for the beaches and coral reefs, and perfect for diving and snorkeling. I have many pastel colored buildings, including the Government House. Located here within a grotto is the "Queen's Staircase" honoring Queen Victoria. On Big Major Cay, about 82 miles away and only reachable by boat, there are no human inhabitants - only pigs. These pigs are so friendly, they will swim out to greet and snort at visitors. How the pigs came to live on this cay is a mystery to this day. This month is the coldest month, with an average temperature of 70 degrees; it's the perfect time to visit, before coming home.

From Pr. Badoura

Queen Reba's Holiday Tea was all the buzz in 2018. Alicia Moss of Moss Catering served up finger sandwiches, fresh fruit, tasty pastries and her special lemon curd.

All of that with our tea made for a wonderful event! Thank you Queen Reba.

Happy New Year from Princess Badoura, Brenda Boitz

Eastmont Nile Club

From Pr. Alyce Khal, President

Hello and Happy New Year to you all from Eastmont Nile Club.

I am going to bring you up to date on our activities.

First I would like to thank Pr. Sardie Bowyer for presiding at our two meetings while I was over seas, Nile thanks.

We have been very busy bees. In September/October we had our school supplies drive for the children at our Shiners hospital. Also we gathered the small soaps, lotions, bath gels, etc. from hotels and motels on our trips for the hospital guest rooms. Their value was over \$200.00.

Not knowing that this year Nydia was not going to have the silent auction at the December meeting, we gathered supplies in November for a basket and ended up having donations enough for three baskets. So at the December session we had an Eastmont silent auction making \$80.00 for our temple. See the photo on the right of Pr. Pamela Woolcock and me, Pr. Alyce Khal, with our three auction items.

Unfortunately we lost our Pr. Dorothy Butterfield (Dottie Ferris) in December. We were not asked to present the White Rose ceremony. Three of our Princesses attended her memorial representing Nydia and our club: Pr. Florence Carter, Pr. Pamela Woolcock, and me. We presented flowers and a wonderful photo that Princess Dottie was present in taken just one year ago, to her family.

December 18th, 2018 was our official visit with Queen Reba Hardin. It was a wonderful meeting, and I thank everyone who attended. It was cozy in the little room we often meet in with twelve present.

Our club princesses and the princesses traveling with Queen Reba in the picture are: On the left: Holly Austin, Isabel York, Kathy Walliker, Tam Cartwright. Standing: Kahmaal Al-Saegh and Alyce Khal. On the right: PQ Sharon Kelly, Donna Gray, Denise Lewis, Charlene Cochran. Standing; Florence Carter and our Queen Reba Hardin.

We at Eastmont are looking forward to a fruitful and a productive new year ahead.

Again thank you very much. Love & Nile Hugs

Did You Know...?

Did you know that for the last 20 years, the Daughters of the Nile Foundation has introduced a new Season of Children Ornament? Each ornament is unique and designed to reflect the Egyptian heritage of a Daughter of the Nile. This year's ornament is Seshat, selected by Past Supreme Queen Karen Keuther. Seshat was the Goddess of Scribes, who invented writing and was a record keeper. To view the collection, and each ornament, visit www.donfdn.org and go to the Gift Shop.

FROM PRINCESS TIRZAH

By Holly Austin

I have been contemplating my officers and committee members for the year 2020. Though I have several people in mind for my officers, I don't want to miss anyone who has a burning desire to be active within the Temple and serve our members. I personally have enjoyed each position I have taken.

I will remind everyone that the more active you are within the Temple, the more princesses you will get to know as friends. You will learn more about the history and beauty of the Daughters of the Nile. You will feel more fulfilled and proud of our purpose.

Please let me know if you wish to be considered for an office. I am available per phone, text, email, or in person.

Nydia Patrol

From Pam Davis, President

Just a short note - we have been having fun with our new routines and have a great group of marching ladies. (Just wait 'till you see what our director has cooked up for our next performance!) However, we really could use a couple more. There are moves we could do so much better with a few more members.

I think the Patrol is the easiest unit to belong to (except when we go to Supreme, but we won't talk about that. Shhh!) You just walk around. (Ok, so there's a little more to it than that, but it's still not rocket science.) It's not active dancing around like PADIR, and you don't perform every month like Chorus. It is lots of fun tho. We invite you to come see just what it takes and how fun it can be.

We meet the 3rd and most 4th Wednesdays at 9:30 am at the Shrine Center.

Birthday Party Committee

Dorothy Lewis, Chairman, Birthday Party Committee

The Hospital Birthday Parties are held once monthly usually on the 4th Wednesday of the month. Gifts are given to each in-patient. Parents, Guardians, Siblings, Friends, and Staff are always Invited.

Cake and ice cream are always served to all. The cakes always have a theme and are beautiful. King City Safeway donates these cakes which certainly helps financially.

We have Clowns who drive from Vancouver each month to entertain the kids. These Shrine Kids love them and their magic tricks. It is such a joy to be there and watch the kids and the clowns interact. After one party a Grandparent said, "this will be the highlight of his week."

We get donations from Nile Clubs over the state and at each session. These donations keep us going, and please know each and every one of them is so appreciated.

HALOS Nile Club

By Holly Austin, President

Halos Nile Club is alive and kicking! We have participated in our first fundraiser, a Holiday Bazaar. Our proceeds were lean, but we did it. This year we had attempted to have angels or items which would have a halo associated with it. Since this attempt was not entirely successful, next year we will be branching out. We have nearly a year to sew and craft enticing items.

Our December scheduled club meeting fell on Christmas Day. Instead of missing an entire month of friendship, we dined out at the Copper River Restaurant on December 11. Our entire club, plus a couple of husbands, enjoyed our evening out.

The club members will be serving lunch at the March session. Stay tuned to see what we “cook up.”

We are looking forward to the Queen’s visit at our January meeting. Queen Reba installed our officers in March, so it will be nice to have her in attendance again.

To those living in the Hillsboro or Washington County area, this club is an evening club. We meet on the fourth Tuesday of each month at 7pm. We serve a light supper so our working folk can drop by after work. Please join us.

TIRZAH NILE CLUB

Dorothy Lewis, Ambassador

Tirzah Nile Club meets on the second Tuesday of each month.

We are very busy making quilts and pillow cases for the kids at the hospital. Our goal this year is 100. Keeps us all busy. Especially our leader, Adell Goggins, who gives us our tasks. Adell also makes items for our Birthday Parties for the kids at the hospital.

Our bazaar was held in November at the King City Clubhouse. Money made from the bazaar is used to purchase material for these projects.

Even though we are very busy ,we have lots of fun and laughs.

Come visit us sometime. We would love that, and perhaps put you to work.

Planting our Gardens

While we browse seed catalogs and plan our spring garden this winter, we could also be working on a different kind of garden - our garden of friendship.

Plant three rows of peas:

Peace of mind, Peace of heart, and Peace of soul

Plant three rows of squash:

Squash gossip, Squash indifference, and Squash criticism

Plant three rows of lettuce:

Lettuce be kind, Lettuce be patient, and Lettuce love one another

No garden is complete without Turnips:

Turnip for meetings, Turnip for service, and Turnip to help each other

To finish our garden we must have Thyme

Thyme for family and Thyme for friends

Water freely with patience and cultivate with love.

Dolls for Sale

Forest Hills Nile Club has an "overstock" of handmade dolls--our village of fingers have been busy. Funds from the sales are channeled thru the Temple to the Daughters of the Nile Foundation to support the Shrine Hospitals. We had three successful events this fall, and yet have many dolls more to sell. Contact our Ambassador, PQ Sharon Kelley, if you'd like to see the collection.

Hospital News - Coast to Coast

Did you hear about the grandfather and grandson who biked over 4000 miles coast to coast to raise money for Shriners Hospitals for Children - Portland??

They had good reason to want to give back. His granddaughter had severe scoliosis and was treated at our Portland hospital. She can do anything she wants now. See the full story and pictures on the hospital website: www.shrinershospitalsforchildren.org/portland/news-and-events/coast-to-coast-1032

Nydia Chorus

From Pam Davis, Director

The Chorus tries to bring variety in the music performed for you at Session - some fun and some serious, some familiar and some new to us, songs in keeping with the seasons, and all the while keeping in mind the preferences of each queen and performing some just for them. You may remember Queen Laurie's year had many cowboy songs, and there were some kitty songs for Queen Sharon, some 60's music and a fairy song for Queen Jennifer. There has been some Country and Western this year for Queen Reba. Next year, our anniversary year, we are looking for some songs that were popular in our birth year - 1919, and possibly songs of other historic significance thru the years. It will be interesting to see what we come up with.

Our ladies work hard to learn and do a good job with the songs we perform for you. Maybe you have noticed we have been getting some parts and harmony into some of the songs? We perform each session with the hope that you will enjoy the selections. We love to hear your reactions.

None of us are professional singers. Some have stronger voices than others, and some have had more or less musical training. It doesn't matter. Every voice is needed and appreciated. We have a good group of ladies and have fun with the music. If you like to sing, we invite you to come give us a try. If you think you can't sing, come anyway - you are probably better than you think. We practice the 2nd and 3rd Wednesdays at 10:30 at the Shrine Center.

That's why our
hearts have beats.'** - Anon.

Did You Know...?

Did you know that Nydia Temple has a Transportation Coordinator?

Yes, this year it's Past Queen Sharon Kelley, as listed in the yearbook. PQ Sharon is the person willing and available to arrange for rides for members to a stated session or another Nile event. PQ Sharon requests calls go to her cell phone, 503-250-2161, and please not at the last minute but at least the day before, so she has time to make the arrangements. Depending on the part of town, she will either provide the ride herself, or make the arrangements for another person to do so.

I ordered a chicken and an egg from Amazon.....

I'll let you know....

Session Notes

January 2019 Session lunch started with a New Year's brunch, complete with mimosas, potato casserole, bagels and muffins, ham and turkey, eggs, and little mousse desserts all courtesy of Salem Nile Club.

In session, Queen Reba was back. She had a amplified opening but had the officers start from their seats - she wasn't quite up to marching in yet.

We received an invitation to Zuliema's Supreme OV on Feb 10th in Grants Pass. The cost is \$35.

There was a letter asking for help in putting on this year's Supreme Session which may be brought up next month after the officers have discussed it.

The Chorus sang A New Years Song with help from their electronic "back up singer" and a winter round.

The budget for the coming year was presented and passed.

A by-law change was read (see pg 4) regarding paying the registration fee for the voting delegates we send to Supreme. PQ Judy explained that since they are required to attend all business meetings while there, it seems only fair. We are allowed 5 delegates, last year we only had 3. This change will be voted on in February. Delegates are elected in March along with the officers.

Dorothy Lewis reported that the December Birthday Party was very gratifying, and the best ever, but that each party seems better than the last.

PQ Laurie reported that the Holiday Sharing donations received came to \$5529. Yea!

PQ Paulette, said that the Christmas trees at the hospital will come down this Saturday; a couple of the trees need to be replaced, and that they are in need of slim-line style tree.

The Strategic Planning Committee "chugs along" and is writing a membership plan. If you

have questions or concerns send them to this committee - they are listed in the directory. Also, if you would like to be on this committee, let Pr. Royal Kathy know.

Sherry Hevland told us that they had a total of 842 sewing hours for last month! Wow!

Pr. Tirzah Holly said that the VIP gifts are going out now. She wanted to be sure each one was delivered with a personal visit. Queen Reba was presented with her own VIP gift.

The Sand in the City fund raiser is coming together. The executive board will be PQ Laurie Winchester and Paula Levin and three Shriners. Carol Pratt will be in charge of organizing (not cooking) the banquets.

Terry Rollman said that there were no requests for White Rose Ceremonies. PQ Paulette, mentioned that two ladies' last Nydians came back with a note that they were deceased: *Ann Larsen and Charlotte Lowe*. If anyone knows anything about these ladies, she would appreciate hearing it.

Pr. Royal Kathy talked about this year's Supreme Session and mentioned how incredibly high the fees were for use of credit/debit cards in registering for Supreme last year, and passed on Dale Obernolte's request that when registering we do it in as few transactions as possible.

She also talked about chartering a bus and how fun it would be to all go to Supreme together. (see pg 11).

A question was asked if the other units could go and perform in Reno, since it was so close. This caused much discussion, but ultimately permission was granted.

Pr. Banker Donna, made a motion to increase the surcharge to the members for debit/credit card transactions from \$1 to \$2 to better cover the cost Nydia is charged. This change will take effect on 4/1.

I hope to see you at session soon!
