Queen Judy Smith

Words from Queen Judy,

Dear Nydia Past Queens and Princesses,

I have submitted several articles for this edition of our Nydian so will keep this short. Yesterday, our Princess Chaplain, Penny MacKinnon forwarded me an email from a member who took the time to let her know how much she was appreciated. That email made her day and mine too. We were both a little hot and cranky when we saw each other earlier in the day and Penny wanted to let me know how much that email meant and how it lightened her day and her attitude. And...it did the same for me. So, let us never forget the power of kind words and thank-yous. Thank you, dear members of Nydia for belonging to this wonderful organization and for all that you do for the children at Shriners Hospitals.

With thank you hugs,

Queen Judy

From Princess Royal

Ladies of the household happy summer to you all.

We are about to start the summer picnics and I can't wait to see everyone at them to enjoy great friendship and even better food.

I am in the process of making my report of the fun happenings done at Supreme in Nebraska so plan on coming to the Official Visits to laugh with us at all the fun we had and enjoy the pictures.

If you have any suggestions on fundraisers for the temple or have any questions that you may have please feel free to contact me.

Nile Hugs

*Laurie Winchester,
Pr. Royal*

From the Desk of Princess Tirzah

Hello Ladies of the Household!

I hope your summer has/is going well, it certainly has been busy at my end of the world.

THANK YOU all for the contributions you have sent for Nydia's Little Book of Secrets, assembly is coming along nicely. The Queen and I hope it will be a good money maker for the Temple! Speaking of which--do any of you have any idea(s) for other fund raisers which would enable us to garner OPM (Other People's Money)?

Elsewhere in this newsletter you will find news and information from Supreme this year: Queen Judy and Princess Royal Laurie are the official reports, but I'd like to let you know I had a fun, working time--first time as a voting delegate. Included in the work and fun was an almost tornado--glad we live where we do. I had a wonderful chance to meet the other Princesses Tirzah--Cathy's Cleopatra's. We did a mini flash-mob for her at the performance evening on Wednesday.

More later,

Princess Tirzah

A Note From Princess Badoura

Hello Ladies of the Household.

I'd like to express my thanks to all of you for your votes of confidence in electing me as your Princess Badoura for this term. I am looking forward to a wonderful year and will do my very best to make you proud.

Here is a little bit about me, for those of you who don't know me very well. I come from a Masonic family background. My grandparents, great-grandparents and parents were all charter members of my Eastern Star chapter. My husband, Dan, is Past Potentate (2008) of Al Kader Shriners. I am a Past Grand Guardian of Job's Daughters in Oregon (1999-2000). We believe in the Masonic way of life. My mother was a member of Nydia Temple, DON before she passed in 1988 and I have been a member since 1995.

Keeping busy is a priority for me. I love to cook (not so much on baking, though) and I have a catering business that specializes in Masonic events. Our motto is "Heritage Food with a Modern Flair." Photography and painting are other interests, along with glass fusion and my horses.

Dan and I have four children and five grandchildren. Our granddaughter is currently attending the University of Washington and planning on a career in microbiology. The boys are all younger and in school.

My hope is that I can bring energy and new ideas to Nydia. Membership, both increasing with new and retention of current, is one of my goals. New avenues of fund-raising and support of our philanthropy are also of great importance to me. I believe that we should have a bit of fun, as well.

I look forward to meeting many more new friends and working with all of you. I'm always available for ideas, comments and suggestions. See you at the Sessions and at your various club meetings.

Jennifer Moyer, Princess Badoura

Trivia: Where did the name Nydia come from?

The word nydia is of Latin origin meaning a safe place or nest.

Nydia is most famous as a literary character in Edward Bulwer-Lytton's novel "The Last Days of Pompeii".

I wonder why our founders chose Nydia for our Temple's Name.

Happy summer to our dear Ladies of the Household! I would like to thank all of the ladies who have gotten their dues in so promptly and remind those ladies who still have not paid their 2014 dues; they do need to be paid as soon as possible. Each of our members is very valuable to us and the children that we serve, so please don't forget them. We were very sad to drop several of our ladies from membership on March 31, 2014 because of nonpayment of dues. I will be sending out notices again in October to those who, at that time, have their Daughters of the Nile membership in jeopardy. If there is a concern that we need to know about, please let our Queen Judy or me know about it. Everything will be kept confidential and maybe we can help, especially our long time members! *Current Dues Cards are required to attend all **Nile Temple Sessions and Club Meetings**.* With the Official Visits starting in the fall, I know all of you will want to come and hear about the happenings of our Temple and news of the 2014 Supreme Session that was held in Omaha, NE from our Queen.

At Supreme Session this year our Supreme Recorder announced that she/they would like for all Subordinate Temples to put into a database every member of DON who has ever joined our Temples along with what happened to them. This will be an enormous project for us older temples as we go back to 1919 and the last membership number that has been given out for us was 12358. Several members and I have been working this summer on trying to get everyone and the dates of when they demitted, dropped or passed away into an Excel spreadsheet. There has not been a time limit set for this a huge project, but I/we would like to welcome anyone who would like to help to get our records up to date :)

The early records of our Temple are all handwritten in fountain pen and very hard to read, but I am sure we could and will solve this mystery together. I want to thank those that have contributed their time so far and invite anyone to call me who may have a few hours to do research this summer before Nile takes up again in the fall...of course the socializing is the most fun and after all, that is what Daughters of the Nile do best and why we were formed to begin with!

I hope to see each of you very soon,

PQ Beverly, your Pr. Recorder

Supreme Session

SUPREME NILE MINIREPORT:

Ladies of the Household,

Princess Royal and I will make our reports at our official visits and at the September Session of the Temple, but I wanted to share some information with you right now.

First, Nydia Temple was honored to have three new **Supreme Appointments**.

Congratulations to these hard working Past Queens:

- ◆ PQ Paulette Schlee – Supreme American Flag Escort
- ◆ PQ Karri Frahler – Supreme Canadian Flag Escort
- ◆ PQ Beverly Eiden – Supreme Temple Banner Escort

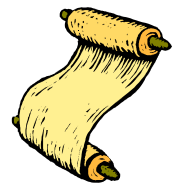

As for Nydia Temple honors:

- ♥ We got a third place ribbon in our category for new members – we had 16. The winner, Hatasu No.1 had 27.
- ♥ We got a third place for having 14 Birthday Parties at the Hospital. The first and second place winners each had 18.
- ♥ We were fifth in giving (\$36,690.82). The average was about \$7,500.
- ♥ We were second in number of pillowcases donated.
- ♥ We were first in lap robes!

Legislation quick overview:

- ⇒ We are now only required to own and maintain a minimum of 4 rituals. Princess Recorder is responsible for the rituals.
- ⇒ In extenuating circumstances and with the vote of the temple, a member may be initiated by obligation only.
- ⇒ Former Patients of Shriners Hospitals with or without a Masonic relationships may be eligible for proposal to membership.
- ⇒ A 4 member Convention Committee was added to standing committees.
- ⇒ Each temple now has 5 ladies of the household to be eligible to be delegates for Supreme Nile.

The ladies of the PADIR were a huge hit at Supreme Nile. Their dance/comedy skit was hilarious and different from the "usual" acts. They were a big hit and got so carried away that it was reported that they tossed their skirts backside up at the Queen and maybe even the Supreme Queen. Everybody loved them. This queen was really excited to answer "YES" when asked if they were from her temple!

Queen Judy

PADIR

The "Flashy" Can-Can dancers at Supreme Session, 2014

There was more than one tornado that swept thru Omaha, Nebraska, during Supreme Session 2014. Oh boy, was there! This group of French dancers from Nydia Temple, joined by the dancers from Zuleima Temple, whooped, hollered, and flashed the crowd for the best "Old Lady Can-Can" dance ever seen. The performance was a huge hit; the crowd joined in, and the energy in the room was electrifying.

Waiting to perform, pictured from left to right: Pr. Ann Ingalls, Pr. Julie Birmingham, PQ Penny Meo, PSQ Suzie Schumacher, Pr. Alice Gentry, Pr. Kathy Walliker, PQ Margaret Bentley, PQ Beverly Eiden, and Pr. Dolores Dunn.

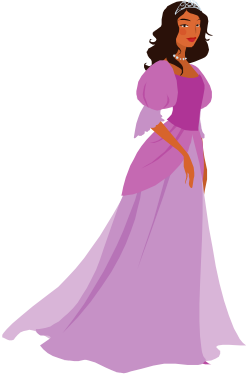

The members of PADIR (and husbands) who traveled to Omaha with Queen Judy had a wonderful time, and a memorable experience. We participated in the parade of costumes at both opening and installation, and performed our memorable dance to a packed house. We presented Queen Judy with beautiful flowers, which she carried in, and two of our dancers attended the queen while another proudly carried the Nydia banner. Due to stormy weather, plans and schedules were changed, but that didn't keep us from celebrating in the lobby of the hotel. Congratulations to Queen Judy for representing Nydia Temple so beautifully and allowing us one last "flash" as we finished the week.

Dress Code Results

There was a ruling on Dress Code Announced at Supreme Nile. The following is a direct quote sent to all Queens by Supreme Queen Marsha Sowers.

"Please be aware the change made to the Supreme Temple Daughters of the Nile Protocol (2013 Revision) by the Directors at the Annual Board Meeting held in Omaha, Nebraska. This change was effective as the day enacted. The change was made after a survey poll was conducted in the Subordinate Temples, which voted 76 Approved and 60 Disapproved.

Therefore, PROTOCOL, Section 1. DRESS, A. Attire (Page P-1) now reads;

*Formal pants and dressy pant suits may be acceptable attire at a **Subordinate Temple Stated Session** that does not include a Ceremonial for members not participating in the Ritualistic Ceremonies of the Order.*

Please note the words "may be". The Board of Directors recognizes that your Temple may have certain customs and traditions that they wish to retain. It also realizes that not all Temple members will want to wear dressy pants or pant suits to your Stated Session. So, you now have the option of wearing dressy pants or pant suits or continuing with your Temple tradition of wearing dresses or skirts to your Sessions. Such a decision should be made for your Temple by a vote of the Temple."

Ladies of the Household....Supreme Protocol has always given us the right to allow this for those ladies who find it difficult to wear a dress to sessions because of illness or advanced age...that has not changed and no lady is going to be turned away because she is not wearing a dress. However, some things to consider...the wearing of dressy slacks or pant suits is **NOT** an option during ceremonial. The temple has some spare skirts that can be worn. We also must remember that if each temple has its own rules and one temple says yes to pants and another says no, that leaves our visitors open to embarrassment...so, to be on the safe side, I would always wear a dress to visit another temple session. Also, this ruling DOES NOT APPLY TO THOSE WHO ARE A PART OF RITUALISTIC CEREMONIES. That means, officers still are required to wear floor length formals to sessions.

Because the Supreme Queen has asked us to have a vote of the temple...there will be a ballot at the September session. It will have several options and there will not be any discussion during the session. I am including the options here and if you have any questions or comments, please contact me directly at starmason@aol.com or 503-550-5882.

OPTIONS:

1. Follow the PROTOCOL, Section 1. Dress, A Attired (Page p-1) as it now reads:

*Formal pants and dressy pant suits may be acceptable attire at a **Subordinate Temple Stated Session** that does not include a Ceremonial for members not participating in the Ritualistic Ceremonies of the Order.*

2. Follow the PROTOCOL, Section 1. Dress, A Attired (Page p-1) with the following underlined addition.

*Formal pants and dressy pant suits may be acceptable attire at a **Subordinate Temple Stated Session** that does not include a Ceremonial for members not participating in the Ritualistic Ceremonies of the Order. The Queen may choose to request that no slacks or pants suits be worn at specific sessions. For example, request that during the December and March sessions the Ladies of the Household be asked to dress up specifically for Christmas and the Queens Tea.*

3. Ignore the change to PROTOCOL, Section 1. Dress, A Attired (Page p-1)

Continue as before the change

Lastly, no matter what the vote, if at any time you feel a lady is not appropriately dressed to attend session, please do not talk to her directly...come to me and let me handle the situation. All Ladies of the Household deserve that courtesy.

PARADES!

Nydia has been participating in Parades this year. After the PADIR marched with the Al Kader Oriental Band in the Baker City Parade last year, Nydia had their foot in the door to participate in Parades with the Shriners. So, I began with my first parade, again with the PADIR, at the Newport Parade. Sadly, it began to rain just as we were ready to get started, but there was room on the Oriental Band float and they graciously asked us to join them...so no marching this time and it was a bit cold and very blustery rainy, but we waved and smiled anyway. It was fun!

Next, came the Tillamook Parade. The PADIR was again joining the Oriental Band alongside their float. Misty, but not really raining so I decided to carry our traveling banner (covered in plastic). I even wore the crown and the little girls on the street loved it! The walking was really easy, my biggest problem was hoping the "fashion police" did not notice my black sneakers under my long dress.

NEXT – OUR BIG FINALE!! THE BAKER CITY EAST WEST GAME PARADE!!

This time, we have our own float (thank you Jennifer Moyer and Greg Jenkins for arranging that) and we can ride or walk. We have vinyl Nydia banners for the sides and I have asked the Patrol to come in costume as my official escorts. We plan on decorating the float a bit like a harem and "ride in style". All princesses are welcome to join us on the float as there is plenty of room. I would recommend a sun dress or nice summer pants outfits. The date is August 2nd in Baker City. Come and stay the weekend as there are many fun, reasonably priced events. The main hotel might be full by now but there are inexpensive alternatives very close.

Session Notes

May Session

Before session the new yearbooks were distributed to the Princesses in attendance. After lunch Queen Judy had a little trivia contest with the new yearbook. She asked how many Nile symbols were in the yearbook and which page has the picture of the turtle in his underwear. PQ Paulette answered the 2nd question, then had a contest of her own, and in honor of Mother's Day, gave her prize to the Princess with the most children.

Queen Judy had decreed a tropical theme for the day. Most of the ladies were dressed in muumuus or tropical print. Queen Judy said everyone looked like a tropical garden. The Chorus sang "Lovely Hula Hands".

Queen Judy had been pledging \$5 for every new member proposal turned in by the May session, the funds to be donated to the CEF. She handed a check for \$100 to Pr. Recorder during session and has extended this to the September Session. Let's get those proposals in and have a large group of new princesses initiated in October!

Queen Judy created a new award—the White Rose Award and honored Pr. Kathy Walliker for her outstanding work on the Action Team Seminar, and Pr. Pam Davis for her efforts on the Yearbook and Nydian. Both received certificate and a bouquet of white roses.

Next session will be September 3, and will have a back-to-school theme.

Birthday Parties

The Birthday Party Committee thanks the Ladies of the Household for their continued support of the Birthday Parties.

In May we only had 5 children, but served 18 adults. In June we had 14 children and 18 adults.

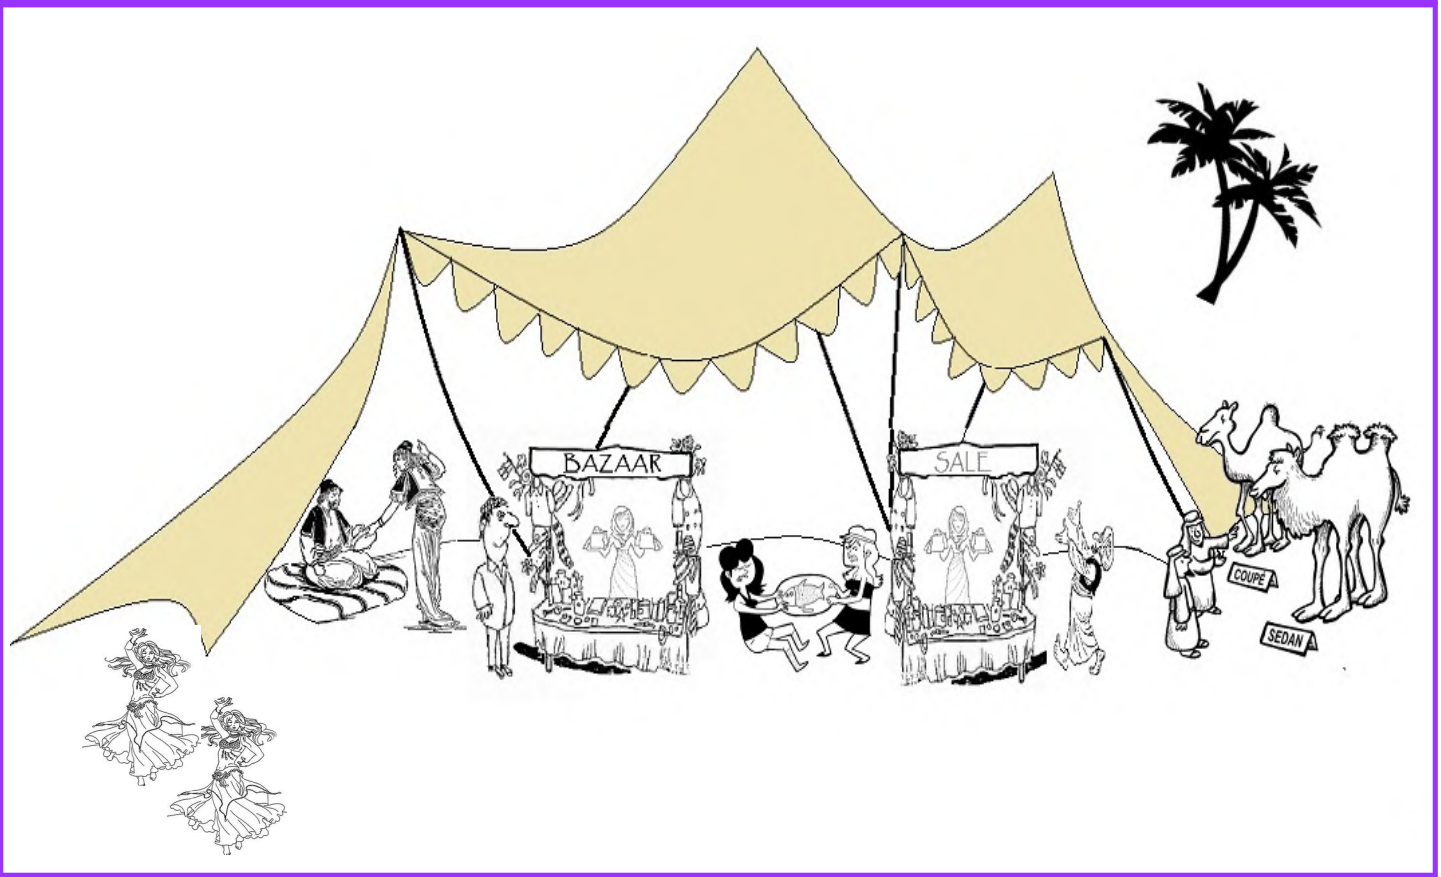

The clowns have been very supportive of our birthday parties. In May we had 5 clowns; do not know if we will have as many in the future. In June they were unable to attend, but hopefully we will have clowns in July. We thank them for their support.

Birthday Party Committee members have a protocol which we follow in serving the children.

The Birthday Party Committee enjoys being able to serve the children. Thanks to you for your support.

NYDIA TRAVEL OPPORTUNITIES

There are the summer picnics and the Official Visits to the clubs....but did you know that the Princesses of Nydia are planning trips that go on ships and planes over the Pacific Ocean? Those of you that are going on the Alaska Cruise August 23rd, you are already thinking about packing for that fun trip. But, did you know that the traveling princesses of Nydia are planning another trip? This time HAWAII!!!

The Shriners Hospital for Children in Honolulu is on our list to support, so I have decided that I would like to see that hospital. We are planning on being there for the Official Visit of Supreme Queen Marsha Sowers in February. PQ Paulette Schlee is going to try to get us a reasonable package which will have us in Honolulu for those events as well as some time to see the island and relax in the warm sunshine. Paulette needs a tentative number of interested ladies and their escorts as soon as possible so she can get us some idea of the costs. So check your calendar (and your bank account) and let her know as soon as possible if you would be interested. The greater number that go will give us a cost break.

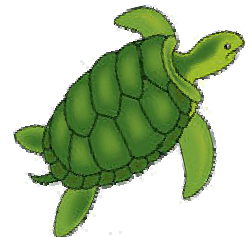

The dates will probably be around February 16 through February 23, 2015. the Hospital visit is Thursday, February 19 and the Ceremonial and Banquet is Saturday, February 21.

Please let PQ Paulette know 360-574-9613 or me, 503-550-5882 if you are seriously interested.

OH...And a plus...we will get to see real live sea turtles!!!!

"QUEENIE'S PLACE " IS COMING

Nydia Temple, Daughters of the Nile has, once again, joined with the Al Kader Shurtah Club for a fun-filled night of entertainment, good food and lots of fun. On Saturday, October 4, 2014, we will be helping Her Majesty, Queen Judy, to open a fun packed establishment called "Queenie's Place". This 1920's style

Speakeasy will feature a jazz quartet, bathtub gin, prime rib and shrimp dinner, photo ops and, perhaps, even a raid by the SBI (Shrine Bureau of Investigation). One never knows where Elliot Mess and his Touchables will show up next.

For a cover charge of \$35, guests will be welcomed to our fine dining establishment (with a secret casino in the back) for dinner, music and dancing. In addition, there will be raffles, prizes and lots of surprises.

All Daughters of the Nile are encouraged to participate in this fundraiser. The committee is looking for "Cigarette Girls" to help with the 50/50 ticket sales, "Flirty Women" as hostesses, and everyone to help sell the tickets. Admission to the Speakeasy will be by secret password only (available on the ticket) and the door will be "guarded" by burly bouncers.

Dust off your finest flapper outfit, grab your cigarette holder and your flapper beads. Feather boas and headbands are wonderful accessories for the day. Pin stripe suits and fedoras for the gentlemen would be most appropriate!

If you might be interested in helping, or if you need some tickets to sell, contact anyone on the committee: Laurie Winchester, Kathy Walliker, Jennifer Moyer, Patti Baldwin and Judy Smith.

See you at "Queenie's"!!

AN IMPORTANT QUOTE FROM SUPREME QUEEN MARSHA:

Our Supreme Queen, Marsha Sowers included this in her first official letter to the Temple. The second sentence was significant to me because sometimes after a Supreme Session we forget where the real power of the Temple lies...it is in the membership as a whole not just the voting delegates at Supreme Session.

"Visiting each Subordinate Temple will give me the privilege of meeting many Ladies of the Household. Not all have the desire to become Queen or want to fill an office, and I want the Ladies of the Household to know they are the most important members of their Temple."

December 8th, Nite Lites Nile Club

December 16th, Eastmont Nile Club

* As we travel, we hope to have some fun and do some bonding. We will try to book hotels that are moderate in price, have breakfast, and have swimming pools (bring your suit anytime you travel overnight with Judy).

Why did the turtle cross the road?

To get to the shell station!

What do turtles use to communicate?.

Shell-phones!

What does a turtle do on its birthday?

It shell-ebrates!

What do turtles eat for dessert?

Shell - o!

The more you give, the more you get—
The more you laugh, the less you fret—
The more you do unselfishly,
The more you live abundantly.

The more of everything you share,
The more you'll always have to spare—
The more you love, the more you'll find
That life is good and friends are kind.

For only what we give away,
Enriches us from day to day.
