# The Queen Speaks...

By Queen Holly Austin

Today I decided to share how I came to love and believe in angels. I have always felt a presence beyond my own being which I thought was God watching over me. Then it became even more personal.

When my son was 17 years old, he died in a traffic accident. It was totally unexpected, and I also felt a great deal of guilt as I had given him the car he was driving though he was no longer living with me. Each member of the family dealt with his death in a different manner. My oldest daughter, Angela, shared pictures. Heather wrote a poem. Angie wrote a song (but I didn't know that yet as it was her college senior project).

I listened to Angie's CD over and over and kept repeating song #5. I shared it with Judy Smith at a Rainbow overnighter. Another adult present asked what the song's name was. Of course I didn't know because I needed my glasses on to read it. The name of it was "Nick's Song." Naturally I fell apart realizing the meaning and retired to my cabin for the night.

The cabin was cold, and I was very upset. I snuggled up in the covers and cried. Suddenly the light in the room changed from darkness to purple. I felt a presence in the room and then warmth on my back like I was being touched by a hand. My burden was immediately lifted.

Another instance was when I picked up my husband

Jerry's ashes, all the lights came on in my car as I left the parking lot. Jerry's ashes were seat-belted on the front seat. I ultimately drove to the dealership to see if they could figure out the problem. There was no problem, and it never happened again. I know it was a reminder he was still with me.

My mother, in her later years, would indicate she was talking with my father who had died several years earlier. She would raise her arm to a corner of the room (always the same corner) and speak to him. She knew he was there with her.

These are just a few of my angel visitors, and there have been many. These angels are with us, reassuring, protecting, directing, and giving us courage. They are there. May there always be angels among us.

# Cheerleading

By Queen Holly Austin

I have never been a cheerleader. That being said, our Supreme Queen Heather told us Queens that being a cheerleader is our primary role this year. We need to lead with enthusiasm and positivity during the unwelcome stay of Miss Covid.

The November Session was my opportunity to exercise my cheerleading skills (or lack thereof). I came out with my pompoms and did a quiet little cheer. Yes, it was rather unusual and perhaps on the edge of being improper, but it gave the membership present a little surprise and levity.

Just wait until next month to see what December brings. Hopefully we can keep our spirits up.

“We’ve got spirit, yes we do. We’ve got spirit, how about you?”

## October Report:

*For everything there is a season, and a time for every matter under heaven:.....Ecclesiastes 3:1-9*

### Ladies of the Household:

As we watch the changing of the season and the changing of the leaves, it reminds me that life is always changing, and there are many seasons in life. Right now, things are changing even more. But there is one thing we know that is never changing, and that is the support of our ladies of the household.

There is so much love with you ladies. You support each other in all the times. You are there for each other. You pray for each other, and you lift each other up.

Ladies, let us continue through this season to lift each other up, supporting each other and loving each other where we are at.

## November Report:

*Enter into His gates with thanksgiving, and into His courts with praise:  
be thankful unto Him, and bless His name.... Psalm 100:4.*

Ladies of the Household:

We are entering a season of thanksgiving. A season that we are reminded that even in the hardest time of life we are to be thankful. And we are truly blessed. We have a group of ladies in our household that bring us joy. We are able to support an organization that brings healing to so many. And most of all we are all part of a family that truly does love each other from the depth of their heart.

As you sit together with family and friends this season be reminded of your blessings. Be reminded that God is doing mighty work through this household of ladies. Most of all rejoice; rejoice in the joy that surrounds each and everyone one of us, for God is good and blesses each and everyone one of us.

# Nite Lites is Back!

From Donna Gray

Like all of the Nydia clubs, Nite Lites meetings came to a halt in March. We met for the first time at Al Kader Shrine Center instead of Portland Shriners Hospital for Children in October. Our temperatures were checked; we all wore facemasks, brought our own food and drink, and social distanced ourselves around the table.

Queen Holly installed those officers present. The picture looks weird as we stayed socially distant. We also welcomed Pr. Ashley Hellman to our group. Nite Lites officers for 2020 are Pr. Kathie Foster, President; Pr. Paula Levin, Vice President; Pr. Debbie Cook, Secretary; Pr. Linda Barton, Treasurer; Pr. Katharine Bland and Pr. Donna Gray, Ambassador.

During our business meeting we discussed how to stay in contact with Portland Shriners Hospital, send a “thinking of you card” to the hospital staff, reach out to the Muscular Dystrophy Support group to find out how we might be of assistance, and completed details of Queen Holly’s official visit on November 9, 2020.

It was great. We were able to see each other again in a responsible healthy way. We will soon come up with other ways to provide service to Portland Shriners Hospital for Children. For the time being we will be meeting at Al Kader Shrine Center.

Nite Lites NC meets the second Monday of every month except for December, June, and July. Our meetings start at 6:00 pm, allowing those women who work to attend a Nile club meeting. Please come join us. If you have any questions please contact our President, Kathie Foster.

# PADIR

It seems weird; PADIR members are not able to get together twice a month to work on a routine for a future performance.

The members did take advantage of the nice weather in August, getting together at Cook's park for a picnic. Our Queen Holly came as well. We all brought our own lunch and chairs and had a very nice social distancing visit. Queen Holly shared some fruits and vegetables from her garden for us to take home as well.

We are now trying to have a monthly Zoom meeting to keep apprised of Nydia's activities and when we will be performing next. We have decided to do a routine which allows us to social distance for

the upcoming ceremonial in January. The director even thinks we can do a couple of practices using Zoom! This will be interesting and fun.

For those of you who like to move your feet to music, come join us. Our practices are normally the first Monday of the month starting at 10:00 am and the second Thursday of the month starting at 4:30 pm. Our practices are kept flexible for those members who work. Our business meetings and sometimes practice is held the fourth Thursday starting at 4:30 pm. Please come check us out.

The Very Important Princess gifts are distributed through our Nile Clubs every year. Unfortunately, only about 25% of our members belong to a club. There is an effort to know who in a club's area should receive a gift, whether they belong to a club or not, but some of our special ladies may be missed. So, if you know of any princess who could use a comfort gift this season, please call Pr. Tirzah Nancy Coddington.

# Sewing Committee

The hospital has asked for our help with the on-going re-purposing project. They have a large quantity of special fabric made from plastic that is used to cover surgical instrument trays before surgery. This material is used once in a sterile environment, then sent to the land fill. We are continuing, at the hospital's request, to make Patient Personal Belongings Bags out of this material. They are very durable, and the patients and families can use them for a long time.

The Sewing Committee and ladies of the household made over 150 of these bags before the shut-down. They have all been given out to surgical patients! We have about 100 more made at home that I will get to the hospital in November. However, we could certainly use your help filling the need. They are not hard. Let me know if you are willing to help sew, and I will get materials and instructions to you.

At the present time, the hospital is not giving out inpatient quilts. We have quite an inventory of these at the present time, which we are pleased with, and are hoping that in the future we will be able to give each surgical patient a gift of love. As with all things during this weird time, we will have to patiently wait for direction from the hospital. They are continuing to give out the Nydia gift of a Transition Quilt when patients graduate, so we have been concentrating on those, as well as shorts and wheelchair/walker bags.

Sherry Hevland, Chair

What did the pumpkin say after  
Thanksgiving?

Good-pie everyone.

# Dallas Nile Club

Hi Ladies,

On October 26th Queen Holly, JPQ Kathy, and I made a special delivery to the Portland Shriners Hospital. It was my honor, on behalf of Dallas Nile Club, to present Nurse Manager Pam Scott with 14 scrubs. The project took longer than we had anticipated but we got it done and hope the nurses will enjoy them. I hope that in the new year we can get a system in place to make more in a more timely fashion.

It was a fun day and I thank you JPQ Kathy for putting it all together for us.

Hope all of you are hanging in there, following the rules, and in hopes this will be over sooner rather than later.

Stay safe, stay well, and keep that smile on your face

even if we can only see your eyes

God holds us all in the palm of his hand even if we forget once in a while.

Hugs to all

Patti Baldwin, Ambassador

## Angel Afghan Queen's Project

*Nydia Temple is selling chances to win this beautiful afghan made by Pr. Thaunia Mazzella, of HALOS Club. Thaunia is a Master Knitter and labored over this masterpiece for countless hours.*

*Tickets are \$1 each, 6/\$5. All Proceeds will be donated to the Nile Foundation.*

*The afghan will be on display beginning our September session. Drawing will be held March 6, 2021, at Supreme Queen Heather's visit.*

*"May you always have an ANGEL by your side."*

## Supreme Temple Action Team

The Supreme Temple Action Team is a Standing Committee of the Supreme Temple. The 12 or more members are appointed by the Supreme Queen and may serve more

than one year at a time. According to the Supreme Bylaws, the Team must be knowledgeable of all Daughters of the Nile publications and have computer skills in order to perform the required duties. They must be able to offer assistance to subordinate temples through consultations, workshops, or seminars. They help the temple by enhancing Nile knowledge and guidance, promote harmony among the members, and assist the temple in developing a plan to achieve their goals. All of this is only at the request of the subordinate temple.

I am so pleased and honored to be able to serve on this team. The membership this year consists of 13 Past Queens from all over the country and Canada. There are two from Canada, two from Texas, two from Florida, and one each from Oregon, Washington, Montana, New York, Indiana, Colorado, and Georgia. We have all been assigned an area to be a contact...my area is the two temples in Oregon and the seven temples in California.

This year is particularly challenging as temples are not meeting in the usual way. With the assistance of the Supreme Queen and the Jurisprudence Committee, the Action Team is creating publications and documents to assist the temples in adapting to the unusual circumstances created by the pandemic. Virtual meeting via Zoom and Skype and ways to safely conduct meetings and ceremonials are a task that must be addressed. Normally the Action Team travels to various temples and regional seminars but just like everyone else, we have been forced to curtail those activities. We have been meeting via Zoom and planning strategy and documents to keep our order functioning in

Continued on next page....

the best way possible. I am so proud to be a member of this “forward thinking” committee and order. Unlike many other fraternal orders, we have not sat back and waited for normalcy, we are “TAKING ACTION”!

Judy C Smith, PQ - Supreme Temple Action Team

## WHAT HAPPENS WITH MY INITIATION FEES?

From PQ Jennifer Moyer

Back when we decided to join Nydia Temple No. 4, Daughters of the Nile, we were asked to pay an *initiation fee*. In recent years, the amount of that fee has been \$75. But have you ever wondered where that money goes and what you get for your investment?

First and foremost, the fee includes a new member’s dues (pro-rated for the year that she joins and the full next year) per our Bylaws. Our yearly dues are currently \$32, so this relieves a financial burden on a new member.

Also figured into the fees are the Supreme Temple per capita and insurance at \$9 per year. We are obligated to pay these amounts to the Supreme Temple for every primary member of Nydia Temple. The only exceptions are our dual members because their supreme fees will be paid by their primary temple.

Each newly initiated member will receive our newsletter, so there is a cost of printing and postage. They will receive their *Jewel of the Order* during their Ceremonial and their white rose, both of which are paid for from their fees.

It is traditional at Nydia Temple for new candidates to be our guests at the banquet held in their honor after the Ceremonial. This expense is also figured into the fees collected.

When you are talking with a lady who may be interested in joining Nydia Temple, you can explain how her fee is used. Sometimes just a quick explanation will make the difference in a lady’s understanding.

## Pandemic Precautions for Fundraisers

Ladies of the Household, Units, and Clubs,

We received a letter with information to consider should your group opt to have fundraisers in the current state of affairs. In light of this pandemic, our Nile insurance carrier has circulated the following very important information to consider:

When you say “every precaution” is being taken, look at the points on this list. Do your precautions include these points?

1. Will all the organizers be tested and receive results prior to the event?
2. Will you ensure 6 feet of space between attendees?
3. Is the venue disinfected prior to the event?
4. Will you require wearing of masks?
5. Are you taking the temperature of attendees at the entrance?
6. Have you considered the number of attendees and does it exceed the “crowd” guidelines?

The Chairman of the Supreme Insurance Committee, Georganne Rodgers-Garn, PQ, assures us the carrier will defend a suit, but in order to have an affirmative defense, we will need documentation on all the above. She also mentions the adverse effect of negative publicity to us, the venue, and perhaps to the Shriners Hospital.

We strive to make our environment as healthy as possible. We must continue to abide by our pandemic restrictions and limited activities. Miss Covid is certainly making our lives challenging, but remember, we are strong women, and we will persevere.

Until we meet again,  
Queen Holly

# From Pr. Royal

Dear Ladies of the Household,

November is the month for giving thanks, and while this pandemic is putting us all through trying times, it can help a lot if we remember to count our blessings. For every thorn there is a rose. We may have to search a little to find it, but it's almost always there.

This might also be a month of *forgiving*. If something or someone feels like a "thorn in your side," try your best to find forgiveness. Forgiveness will heal wounds and ease your mind in a wonderful way, giving you peace. And don't we all need peace in this world?

Among the many blessings in our Nile lives is our visits to clubs with our Queen Holly. We had a wonderful visit to Beth Eden and Pendleton Nile Clubs on October 21<sup>st</sup>. We met in a park and while it was a chilly, windy day, our reception couldn't have been warmer.

Nile Love to all,  
Your Princess Royal, Gail Martin

Pictures from Beth Eden and Pendleton Nile Clubs OV.

Queen Holly's car was sooooo stuffed full of things to bring back! Especially with the big box for this lovely lighted 7' tall angel she received as a gift from the club.

## Salem Nile Club Queen's Visit

Salem Nile Club was pleased to welcome Queen Holly Austin and entourage on her official visit on November 2, 2020. Queen Holly was joined by PQ Judy Smith; Pr. Recorder, PQ Jennifer Moyer; PQ Carol Livie (who is also a member of Salem NC); Princess Royal, Gail Martin; Princess Badoura, Donna Gray; and myself, Pr. Tirzah, Nancy Coddington. There were nine additional members from Salem Nile Club also in attendance.

It was only our second meeting since our installation of officers in March. Like all other Nile clubs in Oregon, the pandemic has taken a toll on our ability to meet. It was really a treat to be able to host our guests in a room that looked lovely. A thank you goes to Pr. Maryann Lundy who coordinated the

Queen Holly Austin and Pr. Nancy Coddington, Pr. Tirzah holding the special angel quilt made by Pr. Susan Milsap (right)

angelic decorations. We are also blessed with a venue (Salem Scottish Rite) which has a large enough room and a staff that carefully abides by all mandates required in order to ensure the safety of attendees. All present socially distanced, had their temperatures taken at the door, and wore smiles under their masks!

Of course, the most fun thing to do is to give our Queen her much deserved gifts from the club. We are lucky, as are many of our clubs in Nydia Temple, to have some talented seamstresses. Our own member, Pr. Susan Millsap, sewed up a storm a few months ago, and with the club's blessing, created a beautiful angel quilt for Queen Holly. Pr. Susan also made angel table runners - a total of nine of them - which we were able to sell following the visit. These table runners also formed the backdrop for the decorations which were provided. Monetary gifts were also given to Nydia

Temple for CRA, CEF, General Fund, and the Sewing Committee.

As they say, “A fine time was had by all,” and we certainly embodied that statement. It was such a pleasure after all these months to be able to host our Queen’s Visit. We don’t know what the rest of the year looks like, but this was a highlight for us. It’s my wish that all of Nydia Temple’s clubs may have the same happy outcome!

Pr. Tirzah, Nancy Coddington  
President, Salem Nile Club

## Forest Hills Nile Club

On November 10th members of the Forest Hills Nile Club welcomed Queen Holly for her Official Visit. We met in the private area upstairs at the Primetime Restaurant in Cornelius. Lunch there is always a treat. We had a good turnout, but still missed visiting with many of our members who live at Jennings McCall and aren’t allowed out. This was our first meeting since the shut-down last spring.

It was great to be able to visit semi-face-to-face with ladies we have not seen in a long time. Of course we wore masks most of the time and practiced social distancing. As usual Queen Holly and her officers had many interesting things to say.

Although we haven’t been able to have the usual fund raising events this year, we still had enough funds in our coffers to give the queen a donation to CEF. As most of you know, we make yoyo dolls, and have been doing so since time immemorial. It is our tradition to make a special themed doll each year for the queen reflecting her theme for the year. Queen Holly was given a doll with an angel theme - of course :)

We hope to be able to sell our dolls at the December stated session. If you cannot come to session or if we cannot meet, but you would like a hand made doll for a gift this year, please contact our president Winnie Carey or PQ Sharon Kelley, and they will fix you up with one.

That there is a fund at the Grand Lodge for Masons of Oregon who are in need of some assistance?

# Session Notes

At the October Session it was, once again great to meet in person. There were 28 in attendance! We marched in and did long form; all stations were filled with several pro-tems. Pr. Recorder vouched for everyone, which it seems is going to be the norm for a while. There were no proposals. Since we only have two petitions, Queen Holly announced that the Ceremonial this month would be canceled and hopefully rescheduled for January.

Proposed By-Law changes had their second reading and all passed. Pr. Judy Alley reminded us of the deadline for Charitable Giving - watch for her letter. Sewing is still not allowed into the hospital, but there have been some requests, so members are working from home - 331.5 hours reported. Our website update is in progress. PQ Judy Smith complemented the officers and pro-tems on the work done today.

November Session started with sparkle as Queen Holly marched in waving pompoms! When Chorus sang God Bless America thru their masks, many ladies present joined in. PQ Jennifer said that Nydia was held up as an example by the Supreme Membership Committee. We hope to have a Ceremonial in January. **Proposals are needed!**

Sewing Committee still not allowed into the hospital but reported 363.5 hours. (See pg 10) JPQ Kathy reported the website is very close to completion. The holiday brunch is limited to 50, so get your name in (see pg 4).

Pr. Royal Gail presented Queen Holly with a gift from her officers, and Pr. Betty Donnelly presented the Crown Stepping stone and check from Woodburn Nile Club that would have been given at their OV had it not been postponed. The check got a "Woo Who" from the Queen, who said it was "quite generous." The Queen thanked everyone and noted that Isabel York, who had been ill for a while, was there. Yea!

It was Founder's Day so there was a white rose cupcake cake and Queen Holly had roses for everyone. PQ Judy Smith, dressed in a vintage dress read a poem about the Nile written by PQ Fay Wright in 1925, and the annual Founders Day Proclamation was read. Meeting closed at 2pm.

### Mission Statement

Nydia Temple No. 4 is a subordinate temple of the international, fraternal organization known as Daughters of the Nile.

We are a social and charitable group comprised of units and clubs.

We provide opportunities for our members to support and promote Shriners Hospitals for Children.

We contribute volunteer hours and in-kind donations to the hospitals, to provide a nurturing environment for the children they treat.

Monetary donations through the Daughters of the Nile Foundation provide financial benefits to the hospitals, allowing decisions to be made in the best interest of each child.

“All the text enclosed within this book/newsletter belongs to a Daughters of the Nile member and she has received this book/newsletter in good faith and understands no information may be made available to non-members of the Order, with the exception of a caregiver.”
