Queen's Message

Ladies of the Household

The seasons may change, but the friendships and memories we share continue to shine. When I chose *"Treasures, Traditions, Transitions"* as a theme for this year, I did not realize how fitting those words could become. Even as we adapt to change, the traditions we cherish continue to bring us together—and every shared laugh, helping hand, and new memory adds to our lifelong treasures.

Recent changes have not always been easy, but they have reminded us what makes this organization special: people who show up for one another. With caring leaders and members beside us, we can keep moving forward while making a meaningful difference for the children and families served by Shriners Children's.

Transitions may ask us to stretch, but our traditions remind us that we never do so alone. When we listen with kindness, offer one another grace, and lend a hand where it is needed, our purpose comes to life in the most natural way—through friendship, service, and the joy of working together. That spirit has filled a memorable summer.

This summer seemed to pass in a blur but brought so many opportunities to reconnect, celebrate, and strengthen our Nile bonds.

Supreme Session in Victoria

A special highlight was Supreme Session in Victoria, one of my all-time favorite cities. Our Nydia members serving as Supreme Officers represented us with grace and style, and of course, our own presiding Supreme Queen Kathy Walliker led us all through wonderfully. The business moved efficiently and

smoothly; our PADIR danced divinely; and we even caught a glimpse or two of Queen Victoria!

We have an updated website and can now order rituals, bylaws, floor charts, and other instructional materials online. Business included legislative updates and information about what they mean for our members and local clubs. These updates are available to download through OASIS or from the Recorder, and I will share additional highlights during my official visits.

Fireworks Stand Fundraiser

Following Supreme Session, we returned to work together for over 10 days at the fireworks stand. Many thanks to Princess Tirzah, Alicia Johnson, for coordinating the Ways and Means Committee, and to all the members and friends whose efforts made the fundraiser such a success. Together, we raised more than \$5,000.

Baker City East-West Football Weekend

The Baker City East-West Football Weekend was another memorable occasion. Hot, sunny, smoky, stormy, cloudy, and wet—we experienced it all! At a lovely luncheon, I had the opportunity to meet the Queens representing both teams and the Co-captains, all of whom are truly inspiring young people. The football game itself was one of the most exciting I have seen in quite a while.

with many Ladies of the Household and the Nosey Nydians.

Fifty-Year Pins

Another highlight was presenting three of our NEON Club princesses—Princess Suzen Fors, Princess Carol Oliver, and Princess Glenabell Lewis—with their 50-year pins and certificates. It was an honor to recognize their dedication and continued contributions to Daughters of the Nile.

Summer also brought many unit and club picnics, each with wonderful food, company, and time to share. I enjoyed each and every one!

Looking Ahead to Fall

Fall gives us even more chances to gather around the table, welcome friends, and enjoy the fellowship that keeps us connected. Please note the dates found on page 18:

Whether we come together to practice, plan, learn, lend a hand, or simply enjoy one another's company, each gathering helps turn our shared values into something others can see and feel.

The Heart of Daughters of the Nile

As I look ahead to the months to come, my heart is full of gratitude for each of you. The warmth of your friendship, the generosity of your spirit, and the countless ways you quietly care for one another are what make this organization feel like home. Every smile, every helping hand, and every hour you give carries our love and support to children and families who need it. I treasure the memories we have made, and I look forward to the hugs, laughter, and special moments still waiting for us. Until we are together again, please know how deeply you are appreciated.

Nile Love,

Queen Teri Rollman

Greetings from Princess Royal

Hello all you wonderful Nydia ladies.

Greetings from Princess Royal

I hope you all had a fantastic summer, even as hot and smoky as it was at times.

I had a great summer, but it has gone by way too fast, and we are now in September and back together at our meetings, practices, and socials.

In June many of use went to Supreme Session in Victoria, Canada, where then SQ Kathy Walliker presided. It was a fun trip from the drive, to the ferry ride (which I did not do so great on), to the food, and connecting with my Royal Group. There was a nice group of Nydia members that attended.

Fireworks stand in June and July and some club and unit picnics this summer were fun. It is always great to see members that may not be able to attend our stated meetings.

I am looking forward to our meetings this year and know we will be working hard for Shriners Children's. Supreme DON would like every member to have access to OASIS. If you are not on OASIS, LeeAnn Quiroz will be at our meeting at 10:00 am and will stay until 4:00 pm to help you get logged on. You can log on with a phone, iPad, and/or your computer. You may also contact LeeAnn or Linda Hatch our Recorder by phone for assistance.

We all need to work hard to increase our membership. Remember, Ladies do not need to be related to a Mason to become a member of Daughters of the Nile. You can print proposals out on OASIS. I also have proposals if you need any.

Have a great Fall and I will see you soon.

Debbie Cook, Princess Royal

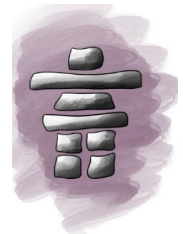

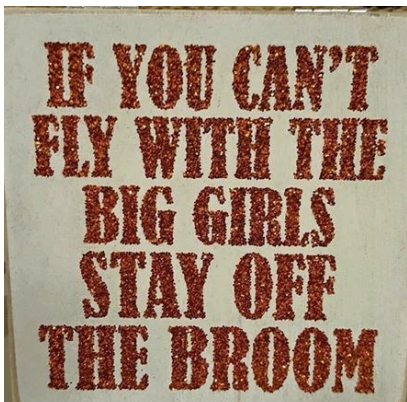

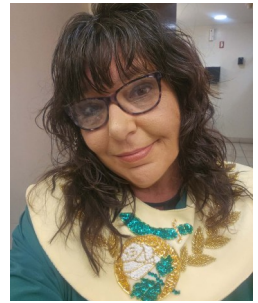

From Tirzah With Love

Hello and welcome back ladies. I hope you all enjoyed your summer break. Definitely was one that kept me busy.

I want to thank all of you ladies who volunteered at the fireworks stand. There were lots of fun memories with you all. I'm proud to report that the ending profit was \$ 5,096.47. The volunteer hours of everyone was 1,220 hours. I can't express enough how thankful I am to everyone for all the support and love I received. I have to say I did a happy dance when I got final totals. I had set a personal goal for myself at the beginning of my Tirzah year of raising \$5,000 for the Nydia General Fund in my year. Without all of you and my husband I couldn't have achieved it.

I also still have the other two raffles going. Please find me if you would like tickets. I also have been given tickets to a raffle for a five night stay in Montreal in 2028 for \$20. If you would like more information please feel free to ask me.

Big Hugs and Nile Love,
Pr. Alicia Johnson Pr. Tirzah

Nydia Has a New Princess Recorder

I am sure you all know that Nydia has a new Princess Recorder, and it is me! Earlier this year, like in January, I heard that PQ Jennifer Moyer was going to move to Washington to be closer to her family. Well, I talked with my husband and said, “what do you think of me running for Pr. Recorder?”, and all of you who know Forrest know he told me he would support me 100%. So, I talked with PQ Jennifer about possibly becoming Pr. Recorder, and she was excited to have someone take over the job.

PQ Jennifer was Pr. Recorder for SEVEN years!! That’s a long time; I know Nydia Temple was blessed to have her as our Recorder keeping up the membership records, minutes, financial records, and all the little things that came up from day to day. Thank you, PQ Jennifer, for all your hard work, and also for helping me with the transition. PQ Jennifer has now moved to Washington. She is so happy to be closer to her family, but she misses Nydia. (We miss her too!)

So back to me, I became Pr. Recorder on March 22. My background is in finance, but I worked in offices for over 40 years, doing all sorts of office work. As mentioned, there is a lot to this job, but I am excited to take it on. I ask for your patience and understanding as I am learning this position. But please, don’t be afraid to give me a call or email me, and let me know if you need something or have any questions.

Thank you for your support,

Linda Hatch PQ, Recorder

Hospital Happenings and Updates

Shriners Children's Portland has expanded its sports medicine program. The hospital has put together a specialized team focusing on healthy training, injury prevention, and surgical and non-surgical care for children and adolescents with sports injuries along with other bone and joint problems. The team of specialists work with the athletes, families, coaches, and athletic trainers to ensure a safe and swift return to play.

On-Site Comprehensive Care include: Rehabilitation Services; Motion Analysis Center; Radiology; Pediatric Orthotic and Prosthetic Services and Walk-in Fracture & Sports Injury Clinic.

The Walk-in Fracture and Sports Injury Clinic is open Monday through Friday from 7:30 am to 4 pm. Patients' ages are from 0 to 18. No appointment is needed.

Nydia members, if you have a child or grandchild with a sports injury, you too can take them to Shriners Children's Portland for sports injury care.

This information came from a flyer provided by Shriners Children's Portland.

Last year as Queen, I was selling chances on this beautiful Oregon themed quilt. The winning ticket was purchased by Princess Ruth Hughes. It was presented last evening at an Eastern Star meeting. I didn't plan it this way, but it was Ruth's 84th birthday yesterday as well. Proceeds will be donated to the DoN Foundation.

From PQ Holly Austin

TNT

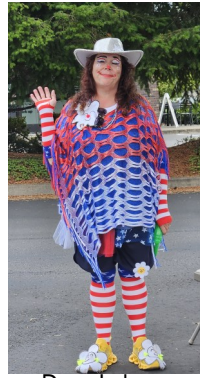

Hello Ladies,

I want to thank everyone again for your support and kindness. I am happy to share the final results of all our hard work during the TNT fireworks fundraiser.

I am proud to report that we brought in a total of \$5,096.47, which will go directly to the Nydia Temple No. 4 General Fund. Amazing job, ladies!

I also wanted to share some special pictures from the event. I hope everyone who joined us had some fun.

Patrol

Over the summer we had a lovely picnic at Alicia Johnson's house near Albany. Although some got turned around, they made it, and we had a great turn out. It was a beautiful day together.

Patrol is looking forward to representing Nydia this coming year at Supreme. You all can help us get there by supporting our fundraisers. You can buy holiday flowers in October (see pg. 10) and as usual we will have cookies for you at December session and mystery purses for you to bid on in February.

Random Words of Wisdom

Do not seize the day. That only
startles it, and nobody wants to deal
with an aggressive day before coffee.

Approach it slowly. Avoid eye contact.
Maybe offer a polite nod. Act casual.

If the day growls, starts making
demands, or mentions shenanigans
back away quietly and return to bed.
